Ernie Esau, Elm Creek, Manitoba. 204-436-2281.

**Transportation:** If you are planning to fly into Toronto, we would be happy to meet you, if advance notice is given.

---

Seldom does a man start into the Shorthorn Breed with the enthusiasm, dedication and intense desire to collect together such a high class herd of Shorthorns, as Jack Lundy. In this search for top quality breeding stock, Jack has travelled thousands of miles, and he has always selected the tops from Canada's best herds.

Now that his herd has outgrown his holdings, he is sharing with you the bloodlines that he feels are the finest to be found in the Shorthorn breed. Part of the "Lundy Plan" is to present to you, cattle that he feels are worthy of the Ballycroy herd. This is why in several cases he is offering you your "pick" when he has a pair in the sale ring, and he will keep the other one for his herd.

This is not just another sale. Here is your opportunity to select from the "heart of the herd".

**Ballycroy** is becoming synonymous with "All Canadians and All Americans", along with a strong emphasis being placed on Records of Performance.

Be in the stands on June 7th, and take home your choice from one of the strongest herds in the country.

THE SALE MANAGERS,

CANADIAN SHORTHORN ASSOCIATION,

A. A. (Bert) Pepper,

Secretary-Manager

# WELCOME TO BALLYCROY

My heart is not in complete approval of this sale. It is a fact that we have disposed of one farm and lost the services of our Former Farm Manager. We are very happy that our Herdsman, Mr. Gerry Campschroer is with us. The above conditions require, in fact demand, this Sale. We will be carrying on and will need some good cattle to enhance our performance as a source of seedstock. Under Mr. Bert Pepper's guidance and direction, we are presenting a Group worthy of any discriminating breeder.

Sires are of course a much argued subject. Our sires have done a job and the prospective sires on sale must be seen to be appreciated.

Dams have an equal responsibility in the improving of the Breed. We most sincerely feel that every female in this sale has or can help improve any herd, always subject to Good Management and Sire Selection.

Since joining with Shorthorn cattle and Shorthorn people in 1969, it has been a whole new life for my wife Lilo and myself. I have found it richly rewarding in the people we have met. The meeting of fine people from B.C., all across the Prairies and on through to the East Coast. We have met many American Breeders and have enjoyed with them Cattle Problems, as we have much in common.

There will be about 13 pairs offered with the Buyers selecting his choice. This is our sincere effort to share our development with you the buyer.

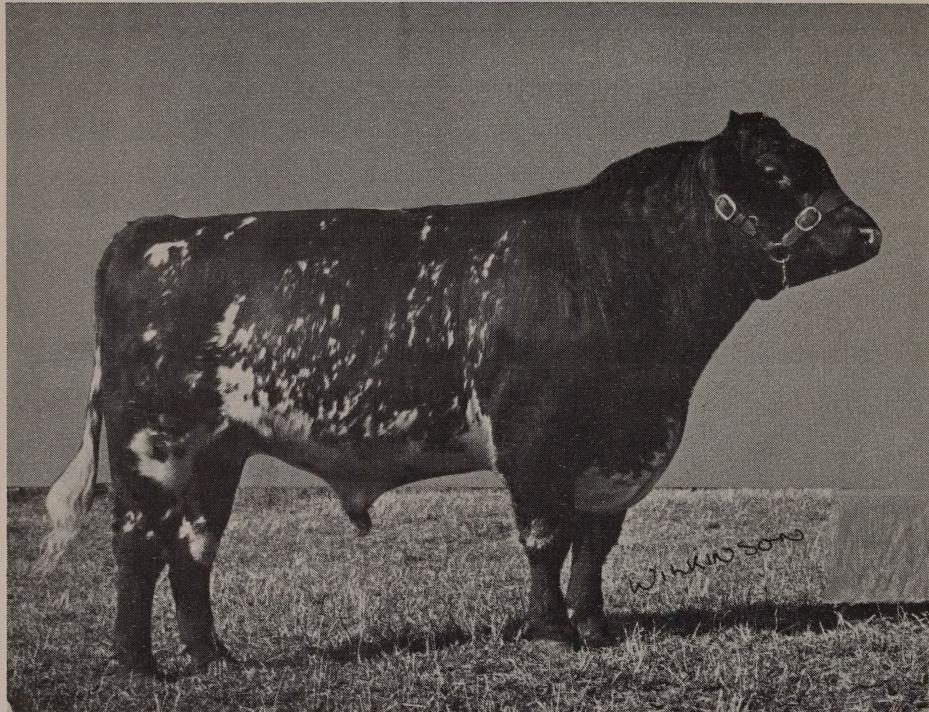

I state as a fact, Ballycroy has culled more animals in the last 6 years than are in this Sale. Our Target has been "The Best Herd of Shorthorns in Ontario". We do not claim to have reached this Target. We are damn close in Quality if not Quantity.

To end this message: It means much to me to stay on with the Breeding of Shorthorns, even though on a much reduced size. One must be active in the work and challenges to keep up with this changing world. We hope your purchases will increase our Circle of Friends in Our Breed.

The cattle may be seen any time but we are preparing for your inspection on June 4, 5, 6 and of course Sale Day, JUNE 7th.

Sincerely,  
JACK AND LILO LUNDY,  
Ballycroy Farms.

James Bondurant,  
\$975

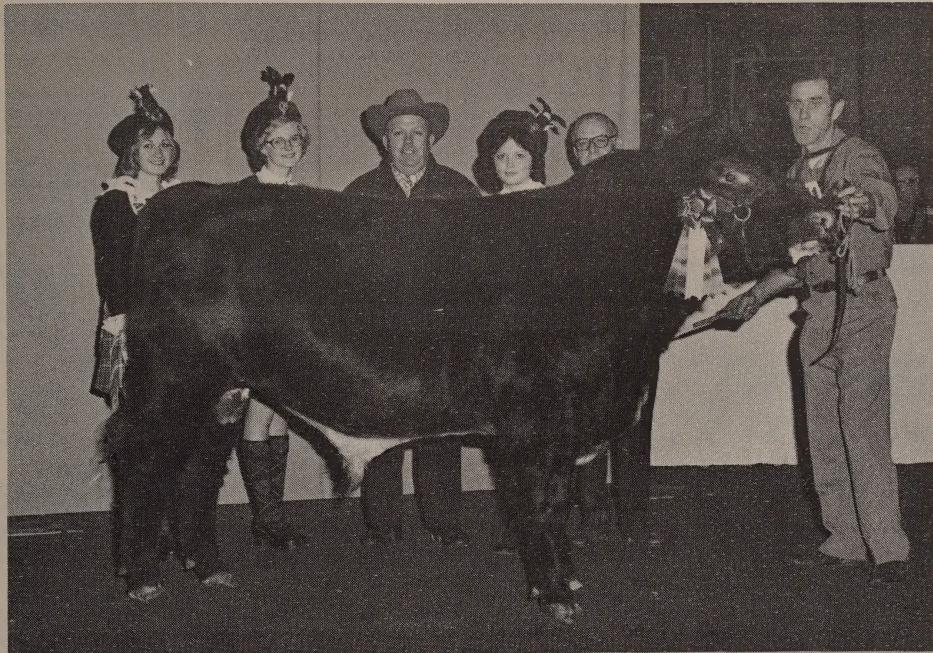

**Good Hope Captain Dutch X** — The combination of top producing ancestry, proven progeny, combined with an outstanding individual, makes this bull worth a serious look for your breeding program. Here is a son of the great show and breeding bull, Stone Oak Leader X (Dutch X). His dam, Carig Maudette 3rd X is also the dam of well-known Kinnaber Leader 5th (Mr. Modern) used at Rothney Farms. "Captain Dutch" had one of his first sons, Tutira Captain Dutch x made Grand Champion at the '75 Royal Winter Fair.

**Lot 1****Male****GOOD HOPE CAPTAIN DUTCH X-436545**

# Terms and Conditions of Sale

**TERMS:** The terms are cash, or cheque at par, unless other arrangements are made with the Seller before the sale. All payments must be made to the Clerk of the Sale and no release will be given until satisfactory settlement has been made.

**BIDS:** The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner.

**RISK:** All animals are at the purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the sale.

**ERRORS:** If errors are noted in the catalogue, announcements of corrections will be made from the auction stand, and such announcement will take precedence over the matter in the catalogue.

**CERTIFICATE:** Each animal is recorded, or will be recorded in the Herd Book of the Breed Association. (Transferred registry certificates will be forwarded to the purchaser of each animal).

**SHIPPING:** Assistance will be given in making shipment after the sale, but no risk is assumed by the Sale Management or Seller. Expenses incident thereto are for account of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

**Immediate Delivery unless arrangements have been made with the sales management.**

## **WARRANTIES:**

1. Each seller warrants clear title to the animal and right to sell same.
2. Unless otherwise noted in the catalogue or announced from the Auction Stand each animal is sold as sound.
3. Each animal is sold as a breeder subject to the following conditions:
  - (a) **MALES:** Bulls are sold as being able to serve and settle healthy females after reaching 14 months of age where the buyer has provided reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller in writing within four months after the bull reaches 14 months of age. The seller will then have the privilege of six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price in making settlement to the buyer. Older bulls are warranted as breeders unless otherwise announced from the auction stand.
  - (b) **FEMALES:** Any female pregnant when sold or with calf at foot, or that has freshened normally within sixty days prior to the date of sale is by that fact considered a breeder. Should any female over 12 months of age, not pregnant when sold, fail to become pregnant within six months of the sale date, or by the time she has reached twenty-one months after having been bred regularly to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months' time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. Results of any pregnancy examinations will be announced, but no guarantee is given that a pregnant female will deliver live calves, or that they will carry calves full time, nor does he guarantee that the calf carried will not be mummified.
4. The seller is not responsible for damages caused by foreign bodies after the animal is sold, nor for sickness not apparent at sale time.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

**ACCIDENTS:** Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds or behaviour of animals and disclaim any liability, legal or otherwise in the event of personal accident or property loss.

The above Terms and Conditions shall be a contract between the buyer and seller of each lot.
